

Cherokee Campus Library Book Return

The book return is inside the Peeler Academic Building outside of the library to the right of the doors.

Since it is inside the Peeler Academic Building, it is only available during the building's hours.

During class times, the building is open:

Monday -Thursday 7am-10pm

Friday 7am-2pm

You do have to swipe a current SCC ID before 8am or after 5pm to get into the building or get a visitor pass from security in the CAMIT building.

WARNING

If you are returning an item in between semesters or on spring break in the book return, there are different building hours and some additional instructions. You need to inform the library that you have returned an item, so that it can be retrieved and removed from your account.

A white rectangular notice card from the SCC Library. At the top left is the 'SCC LIBRARY' logo. To the right of the logo are two small images: one of a library building and another of people. Below the images, the word 'ATTENTION' is printed in bold. The main text of the notice reads: 'This Campus Library is closed for the break. Please contact the Giles Campus Library to let us know that you returned items so they can be removed from your account. This prevents delays that might cause you to receive a bill for the item or prevent you from registering/getting grades/graduating. Thank you!'. Below this, three contact methods are listed: 'Text: "Cherokee Return" to (864) 756-8008', 'Email: "Cherokee Return" to askalibrarian@scsc.edu', and 'Call: During open hours (Mon-Thurs 8am – 5pm, Fri 8am – 1:30pm) at (864) 592-4764'.
